PRINCESS MARINA HOSPITAL HTC

&

PENN COMPREHENSIVE HEMOPHILIA AND THROMBOSIS PROGRAM

- Organized a national medical symposium which trained 40 medical professionals
- Initiated outreach and identification of new patients in remote villages
- Organized a media campaign and a city-wide march on World Hemophilia Day
- Provided training on management of inhibitors
- Developed strong relations with Ministry of Health
- Supported the role of patients in the leadership transition of the national patient organization

WFH Twinning Program

Twining links patient organizations and treatment centres in developing and developed countries.

The WFH supports training, exchanges, workshops, patient education, and other activities to improve treatment and care for people with bleeding disorders.
